- Processing region: [processing_region]
- Affected customer segment: [customer_segment]
- Notice date: [notice_date]
- Planned effective date: [effective_date]
- Objection deadline: [objection_deadline]
- Contact address: [contact_email]

Short Notice

Subject: Upcoming subprocessor update

Hi [customer_name],

We are updating our subprocessor list to add [vendor_name] for [vendor_purpose].

This vendor may process [data_categories] for [customer_segment]. Processing may occur in [processing_region].

Notice date: [notice_date]

Planned effective date: [effective_date]

Objection deadline: [objection_deadline]

If your agreement includes a right to object, please send any objection to [contact_email] by the objection deadline so we can review it before the change takes effect.

Regards,

[sender_name]

Formal Notice

Subject: Notice of subprocessor change

Hi [customer_name],

We are providing notice of an upcoming subprocessor change for [company_name].

We plan to add [vendor_name] as a subprocessor for [vendor_purpose]. The relevant data categories are [data_categories], and processing may occur in [processing_region]. The

affected customer segment is [customer_segment].

We are providing this notice on [notice_date]. The planned effective date is [effective_date].
Based on our current workflow record, the objection deadline is [objection_deadline].

If your agreement provides an objection process for new subprocessors, please send any objection or related questions to [contact_email] before the objection deadline. We will review timely objections before proceeding with the change for the affected service.

Regards,
[sender_name]

Enterprise Account Notice

Subject: Subprocessor change notice for [company_name]

Hi [customer_name],

We are sending this notice for your security, privacy, or procurement records.

[company_name] plans to add [vendor_name] as a subprocessor supporting [vendor_purpose]. The change may involve [data_categories] for [customer_segment]. Processing may occur in [processing_region].

Operational timeline:

- Notice date: [notice_date]
- Planned effective date: [effective_date]
- Objection deadline: [objection_deadline]
- Owner: [internal_owner]

We have recorded this change in our internal vendor and evidence workflow. If your agreement includes an objection right or requires a specific review path, please send the objection or routing instructions to [contact_email] before the objection deadline.

Regards,
[sender_name]

Attorney Review Questions

- Does the agreement require notice for this customer or segment?
- Is the objection deadline calculated correctly?
- Does the notice need additional international transfer language?
- Should any customer segment receive a different version?
- Should the public subprocessor page be updated before, at the same time as, or after notice?

Fulfillment disclaimer:
